R & D Awareness and Capacity Building Programme

Session: 2025-2026

(Quarter-IV)

Activity Report

1. Title of the Activity: Faculty & Students R&D Orientation Programme

2. Activity Type: R&D Awareness and Capacity Building Programme

3. Theme: Ethical Research Practices, Research Integrity and Promotion of Quality Research & Innovation

4. Date, Time and Platform

Date: 5 August 2026

Time: 11:00 AM

Platform: Google Meet

Link: To join the meeting on Google Meet, click this link: <https://meet.google.com/gib-spgs-ssx>

5. Organized By: Institution's Innovation Council (IIC) in collaboration with the Department of Zoology, Janta College, Bakewar, Etawah

6. Resource Person: Dr. Ranjana Gautam, Assistant Professor, Department of Life Science Chhatrapati Shahu Ji Maharaj University, Kanpur

7. Title of the Invited Lecture: "Ethical Research Practices: Fostering Credibility and Innovation"

8. Objective of the Activity: The programme was organized with the objective of promoting awareness about research ethics, research integrity, responsible research practices, and quality research among faculty members, research scholars, and students. The activity also aimed to strengthen research capabilities and encourage participants to follow ethical standards in academic and scientific research.

9. Description of the Activity: The Institution's Innovation Council (IIC), Janta College, Bakewar, Etawah, in collaboration with the Department of Zoology, successfully organized a Research and Development Awareness and Capacity Building Programme on 5 August 2026 through Google Meet. The programme commenced with the formal welcome of the distinguished resource person, Dr. Ranjana Gautam, Assistant Professor, Department of Life Science, Chhatrapati Shahu Ji Maharaj University, Kanpur. The keynote session featured an invited lecture by Dr. Ranjana Gautam on "Ethical Research Practices: Fostering Credibility and Innovation." During her insightful presentation, she discussed the importance of research integrity, responsible conduct of research, plagiarism prevention, publication ethics, and scientific honesty. She also elaborated on ethical considerations associated with data management, authorship, peer review, and intellectual property rights. The lecture emphasized the importance of maintaining credibility, transparency, and responsibility throughout the research process. Participants were encouraged to adopt ethical research practices and contribute to the advancement of quality research and innovation. The

programme was presided over by Prof. (Dr.) Nalini Shukla, Principal, Janta College, Bakewar. In her address, she appreciated the initiative of the Institution's Innovation Council and the Department of Zoology for organizing the programme. She encouraged faculty members and students to actively engage in meaningful research and contribute to academic and national development. Prof. Lalit Gupta, Head, Department of Zoology, emphasized the importance of developing a vibrant research culture in higher educational institutions. He also highlighted the role of the Institution's Innovation Council in promoting innovation, entrepreneurship, and research-based learning. Dr. Naveen Awasthi, Convener, Institution's Innovation Council (IIC), expressed gratitude to the invited speaker for delivering an informative and inspiring lecture. He encouraged students and young researchers to follow ethical research practices and actively participate in research and innovation activities. The programme witnessed enthusiastic participation from faculty members, research scholars, undergraduate and postgraduate students from different departments. An interactive question-and-answer session was also conducted, providing participants with an opportunity to seek expert guidance on research methodology, ethical publication practices, and emerging opportunities in scientific research. The programme concluded with a formal vote of thanks to the resource person, Principal, Convener of IIC, faculty members, organizing team, and all participants for their valuable contribution to the successful conduct of the programme.

10. Learning Outcomes: The programme enabled participants to:

- Understand the importance of research integrity and ethical research practices.
- Develop awareness about plagiarism prevention and publication ethics.
- Understand ethical aspects of data management, authorship, and peer review.
- Gain awareness regarding intellectual property rights in research.
- Appreciate the importance of scientific honesty and responsible research conduct.
- Develop greater motivation towards quality research and innovation.

11. Impact of the Activity: The programme contributed to strengthening the institutional research environment by creating awareness regarding ethical and responsible research practices. The expert interaction provided valuable guidance to faculty members, research scholars, and students and encouraged them to maintain academic integrity while conducting and publishing research. The programme also strengthened the objectives of the Institution's Innovation Council by connecting research ethics with quality research, innovation, and academic excellence.

12. Outcome of the Activity: The programme successfully achieved its objective of creating awareness about ethical research practices, research integrity, responsible publication, and quality research and innovation. It motivated faculty members, research scholars, and students to adopt ethical standards in their academic and research activities and contributed to strengthening the research and innovation ecosystem of the institution.

CERTIFICATE OF APPRECIATION

This is to proudly certify that Dr. Ranjana Gautam Assistant Professor, Department of Life Science Chhatrapati Shahu Ji Maharaj University, Kanpur served as the Invited Speaker in the Research and Development Awareness and Capacity Building Programme, jointly organized by the Institution's Innovation Council (IIC) and the Department of Zoology, Janta College, Bakewar, Etawah, Uttar Pradesh, on 5 August 2026.

She delivered an inspiring and insightful online invited talk entitled "Ethical Research Practices: Fostering Credibility and Innovation"

Her valuable contribution, scholarly insights, and commitment to promoting ethical research practices have greatly enriched the programme and inspired faculty members, research scholars, and students to pursue excellence in research and innovation.

The organizing committee expresses sincere appreciation and gratitude for her distinguished contribution and wishes her continued success in all her future academic and research endeavour.
