Notice

All the faculty members and students are hereby informed that a Regular Research & Development Review and Progress Tracking Meeting are being organized under the coordination of the Department of Plant Pathology in Collaboration with Institution Innovation Council (IIC), Janta College Bakewar on 24 August, 2026 at 2:00 PM.

The meeting will focus on reviewing ongoing research activities, assessing the progress of research work, discussing achievements and challenges, and planning future research and development activities. All concerned are requested to attend the meeting on time and actively participate in the discussions.

Research and Development Activities Review and Progress Monitoring Meeting

Session: 2025-2026

(Quarter-IV)

Activity Report

- 1. Title of the Activity:** Research and Development Activities Review and Progress Monitoring Meeting
- 2. Activity Type:** Monitoring, Evaluation and Mentoring of Research Activities
- 3. IIC Activity Area:** Research, Innovation and Development Activities
- 4. Date:** 24/08/2026
- 5. Venue:** Seminar Hall Janta College, Bakewar, Etawah
- 6. Organized By:** Institution's Innovation Council (IIC) in association with Department of Plant pathology, Janta College, Bakewar, Etawah
- 7. Programme Coordinator:** Dr. Manoj Kumar Yadav, Head, Department of Plant Pathology
- 8. Chairperson:** Prof. (Dr.) Nalini Shukla, Principal, Janta College, Bakewar, Etawah
- 9. IIC Convener:** Dr. Naveen Awasthi; Convener, Institution's Innovation Council (IIC)
- 10. Objective of the Activity:** The main objective of the meeting was to review and monitor the progress of ongoing research activities being carried out by research scholars under the guidance of faculty members of different departments. The meeting aimed to evaluate the quality and progress of research work, identify difficulties being faced by research scholars, provide appropriate guidance, strengthen research activities and promote a systematic research culture within the institution. It also aimed to encourage faculty members and research scholars to undertake innovative, relevant and problem-oriented research that could contribute to society, agriculture, farmers and national development.
- 11. Description of the Activity:** The Institution's Innovation Council (IIC), Janta College, Bakewar, organized a meeting for the review and progress monitoring of research and development activities being undertaken in the institution. The meeting focused on reviewing the research work being carried out under the supervision of faculty members from different departments. As reported, seven faculty members from four departments were supervising the research work of 21 research scholars. During the meeting, the progress of ongoing research work was discussed. Faculty members shared information regarding the research activities being carried out under their supervision, while various aspects related to research quality, progress, guidance and future research activities were considered. The meeting provided an important platform for reviewing the progress of research scholars and discussing ways to make research activities more effective and productive. The programme was chaired by Prof. (Dr.) Nalini Shukla, Principal, Janta College, Bakewar. In her address, she emphasized that research and innovation are essential components of higher education. She stated that quality research should contribute not only to academic development but also to the welfare of society and the nation. She stressed the

need for creating a favorable research environment within the institution and providing adequate guidance and support to research scholars. She also encouraged faculty members to undertake meaningful and useful researched. Dr. Manoj Kumar Yadav, Head, Department of Plant Pathology, coordinated the programme. He highlighted the importance of regular review and monitoring of research activities. He explained that systematic evaluation of research progress helps research scholars receive timely guidance and enables them to address difficulties arising during their research work. He also emphasized that research and innovation activities should remain closely connected with practical problems and societal requirements. Dr. Naveen Awasthi, Convener, Institution's Innovation Council (IIC), emphasized the importance of developing a strong research and innovation culture within the institution. He stated that research should not remain confined to academic requirements but should also address societal needs, agricultural challenges and practical problems. He stressed the importance of selecting relevant research topics, regularly reviewing research progress, maintaining research quality and encouraging innovative approaches among research scholars. He further highlighted the role of IIC in promoting research, innovation and a collaborative academic environment. The meeting particularly focused on the research work of 21 research scholars working under the guidance of seven faculty members. The discussion emphasized:

- Regular monitoring of research progress.
- Quality improvement in research work.
- Identification and resolution of research-related difficulties.
- Proper guidance and mentoring of research scholars.
- Selection of relevant and innovative research topics.
- Promotion of useful and problem-oriented research.
- Strengthening collaboration among faculty members and researchers.
- Encouraging research outcomes that can benefit society, farmers and the nation.

The meeting also encouraged faculty members to work collectively towards establishing a stronger research and innovation ecosystem within the college. The programme was attended by faculty members, research supervisors and research scholars of the institution. According to the press report, seven faculty members were guiding 21 research scholars from the departments of Horticulture, Plant Pathology, Crop Science and Soil Conservation. Faculty members mentioned in the report included Prof. A.K. Pandey, Prof. Lalit Gupta, Prof. M.P. Singh, Dr. Aditya Kumar, Dr. Sanjeev Kumar, Dr. Devendra Yadav, Lieutenant Brihmanand, Dr. Jyoti Bhadauria, Dr. D.G. Mishra, Ajit Agnihotri and Satyam Gupta, along with other faculty members and students.

12. Impact Analysis: The activity strengthened the institutional research ecosystem by providing a structured platform for review, evaluation and mentoring of ongoing research work. Regular monitoring of research progress can help research scholars receive timely academic guidance and improve the quality of their research. The interaction also encouraged faculty members to focus on meaningful and useful research topics related to societal and agricultural needs. The programme contributed towards developing a stronger research-oriented and innovation-driven academic environment at Janta College, Bakewar.

13. IIC Alignment: The activity was aligned with the objectives of the Institution's Innovation Council, particularly:

- Promotion of research and innovation.
- Mentoring of research scholars.
- Monitoring and evaluation of research activities.

- Encouragement of problem-oriented research.
- Development of interdisciplinary research culture.
- Promotion of innovative solutions to societal problems.
- Strengthening the institutional research ecosystem.

14. Outcome of the Activity: The research review and progress monitoring meeting successfully provided a platform for evaluating ongoing research activities and discussing the progress of 21 research scholars working under seven faculty supervisors. The activity promoted regular research monitoring, academic mentoring and quality improvement. It also encouraged faculty members and research scholars to focus on innovative, relevant and socially useful research. The meeting further strengthened the commitment of the institution towards developing a sustainable culture of research, innovation and interdisciplinary collaboration

15. Conclusion: The Research and Development Activities Review and Progress Monitoring Meeting was a significant initiative of the Institution's Innovation Council for strengthening research activities at Janta College, Bakewar. The systematic review of research work, guidance to research scholars and interaction among faculty members helped create a more structured and research-oriented environment. The programme reinforced the importance of continuous monitoring, quality research, innovation and practical application of research outcomes for the benefit of society, farmers and the nation.

आज

जनता कॉलेज में शोध कार्यों की समीक्षा 21 शोधार्थियों की प्रगति पर हुई चर्चा

चार विभागों के सात प्राध्यापक अपने निर्देशन में करा रहे शोध कार्य

बकेवर (इटावा) 2 सितम्बर। जनता कॉलेज, बकेवर में संस्था नवाचार परिषद के तत्वावधान में शोध एवं विकास गतिविधियों की समीक्षा एवं प्रगति अनुश्रवण बैठक आयोजित की गई। बैठक में महाविद्यालय में संचालित शोध कार्यों की प्रगति, गुणवत्ता, मूल्यांकन तथा शोध एवं नवाचार को प्रभावी बनाने के विभिन्न पहलुओं पर चर्चा की गई।

कार्यक्रम के संयोजक एवं पादप रोग विज्ञान विभागाध्यक्ष डॉ. मनोज कुमार यादव ने बताया कि महाविद्यालय के उद्यानिकी, पादप रोग विज्ञान, सस्य विज्ञान एवं मृदा संरक्षण विभाग के सात प्राध्यापक अपने निर्देशन में 21 शोधार्थियों का शोध कार्य करा रहे हैं। उन्होंने कहा कि शिक्षण गतिविधियों के साथ प्राध्यापकों का शोध एवं अनुसंधान के क्षेत्र में सक्रिय रहना महाविद्यालय के लिए गौरव की बात है। उन्होंने शोध कार्यों की नियमित समीक्षा और मूल्यांकन को आवश्यक बताते हुए कहा कि इससे शोधार्थियों को उचित दिशा-निर्देशन मिलता है तथा शोध के दौरान आने वाली समस्याओं का समय रहते समाधान किया जा सकता है।

अध्यक्षता करते हुए प्राचार्य प्रो. नलिनी शुक्ला ने कहा कि वर्तमान समय ज्ञान, विज्ञान और तकनीक का युग है। उच्च शिक्षण संस्थानों को गुणवत्तापूर्ण शोध के माध्यम से समाज और राष्ट्र के विकास में योगदान देना चाहिए। उन्होंने महाविद्यालय में शोध के अनुकूल वातावरण तैयार करने, शोधार्थियों को आवश्यक

संसाधन और मार्गदर्शन उपलब्ध कराने तथा शोध गतिविधियों को और विस्तार देने पर जोर दिया।

प्रो. ए.के. पांडेय ने शोध को उच्च शिक्षा की आधारशिला बताते हुए कहा कि किसी शिक्षण संस्थान की पहचान उसके शैक्षणिक परिणामों के साथ-साथ वहां होने वाले गुणवत्तापूर्ण शोध से भी होती है। उन्होंने समाज, किसानों और राष्ट्र के लिए उपयोगी शोध को प्राथमिकता देने का आह्वान किया। संस्था नवाचार परिषद के संयोजक डॉ. नवीन अवस्थी ने शोध और नवाचार की संस्कृति विकसित करने पर जोर देते हुए कहा कि शोध को केवल शैक्षणिक गतिविधि तक सीमित न रखकर समाज की आवश्यकताओं और नवाचार से जोड़ा जाना चाहिए। बैठक में शोध की गुणवत्ता में सुधार, नवीन एवं उपयोगी शोध विषयों के चयन, शोध कार्यों की नियमित समीक्षा तथा उत्कृष्ट अनुसंधान को प्रोत्साहित करने पर विशेष चर्चा हुई। उपस्थित प्राध्यापकों ने महाविद्यालय में सशक्त शोध एवं नवाचार संस्कृति विकसित करने के लिए सामूहिक प्रयास करने का संकल्प लिया।

इस अवसर पर प्रो. धर्मेन्द्र कुमार, प्रो. ललित गुप्ता, डॉ. संजीव कुमार, डॉ. संजय विश्वकर्मा, डॉ. देवेन्द्र यादव, लेफ्टिनेंट ब्रह्मानंद, डॉ. ज्योति भदौरिया, डॉ. डी.जे. मिश्रा, अजीत अग्निहोत्री, सत्यम गुप्ता सहित शिक्षणेत्तर कर्मचारी एवं छात्र-छात्राएं मौजूद रहे।

जनता कालेज में शोध कार्य परीक्षा की कसौटी पर परखे जायेंगे

लोहिया दर्पण

बकेवर। जनता कॉलेज में शोध कार्यों को अब नियमित समीक्षा की कसौटी पर परखा जाएगा। संस्था नवाचार परिषद के तत्वावधान में आयोजित शोध एवं विकास गतिविधियों की समीक्षा बैठक में चार विभागों में चल रहे शोध कार्यों की प्रगति का अनुश्रवण किया गया। कॉलेज के सात प्राध्यापकों के निर्देशन में 21 शोधार्थी शोध कार्य कर रहे हैं। बैठक में शोध की गुणवत्ता, नवीनता और समाजोपयोगिता को प्राथमिकता देने पर जोर दिया गया। कार्यक्रम के संयोजक एवं पादप रोग विज्ञान विभागाध्यक्ष डॉ. मनोज कुमार यादव ने बताया कि महाविद्यालय के उद्यानिकी, पादप रोग विज्ञान, सस्य विज्ञान और मृदा संरक्षण विभाग में शोध कार्य संचालित हैं। उन्होंने कहा कि शोध की नियमित समीक्षा से शोधार्थियों को समय पर मार्गदर्शन मिलेगा और शोध के दौरान सामने

आने वाली समस्याओं का समाधान किया जा सकेगा। उन्होंने स्पष्ट किया कि शोध की सफलता केवल प्रकाशित शोध पत्रों की संख्या से तय नहीं होनी चाहिए, बल्कि शोध कितना नया, उपयोगी और समाज की समस्याओं के समाधान में कितना प्रभावी है, यह भी देखा जाना जरूरी है। प्राचार्य प्रो. नलिनी शुक्ला ने कहा कि उच्च शिक्षण संस्थानों की पहचान गुणवत्तापूर्ण शोध से भी होती है। महाविद्यालय में शोध के लिए बेहतर वातावरण तैयार करने के साथ ही शोधार्थियों को आवश्यक संसाधन और मार्गदर्शन उपलब्ध कराया जाएगा। उन्होंने प्राध्यापकों से सामूहिक प्रयास कर कॉलेज की शोध गतिविधियों को नई ऊंचाई देने का आह्वान किया। प्रो. ए.के. पांडेय ने शोध को उच्च शिक्षा की आधारशिला बताते हुए कहा कि शोध की दिशा ऐसी होनी चाहिए, जिसका लाभ समाज, किसानों और राष्ट्र को मिल सके।
